I hereby make application for installation of a 4" sewer line to be installed to serve my property. The Sewer service line shall be run from the main line to the connection as outlined by the Resident Inspector of The City of Weir, KS. I hereby grant a temporary construction easement for that purpose and understand and agree that this is an accommodation by The City of Weir, KS and that upon completion of the line it will belong to the property owner and not to The City of Weir, KS and the responsibility for maintenance and repairs or replacement will be the responsibility of the property owner. I, We hereby release The City of Weir, KS from any and all obligations or liability for reason of the construction of said sewer service line.

The undersigned also grant a 10-foot wide temporary construction easement along the existing public right-of-way (alley) for the construction of the main sewer line.

After construction of the sewer line, the easement shall be void.
